VALCO GROUP SOUTH AFRICA

A TRUSTED LEADER IN INDUSTRIAL VALVE SOLUTIONS.
INDEPENDENT. CERTIFIED. LOCALLY OWNED.

VALCO GROUP

About Us

Valco Group South Africa (Pty) Ltd is a fully independent, South African-registered company and a Level 1 B-BBEE contributor. Established in 2014, we specialize in the supply, servicing, refurbishment, and manufacturing of industrial valves.

Our operations in the Western Cape and Gauteng serve a wide range of industries, including Power Generation, Oil & Gas, Petrochemical, Chemical, Mining, Water, Food & Beverage,
Cryogenic and Nuclear sectors. VALCOZA is our locally developed industrial valve range, designed to meet international standards while supporting South African industry and localisation initiatives. Manufactured in accordance with ASME, API and ISO standards.
We offer OEM-approved products and technical support through long-standing agency partnerships with SNRI, Malbranque, Guichon Valves Origin, WVF, IRI Ireland Valves,
and BRDR Christensen.
